Babysitting Program Policies and Procedures

Age Limit: Toddlers (children who are able to walk) up to children 6 years of age will be admitted to the Babysitting Program.

Allergies: We are a kosher synagogue and also peanut free. We provide snacks for the children. If your child has food allergies, please communicate with the supervisor about feeding your child. We are not always able to accommodate special requests.

Diaper Changing: Our sitters do not change diapers. A parent will be located if it is determined your child needs a diaper change. All diaper changing should be done on the second floor. There is a changing table, diaper pail and wipes in the bathroom. Please do not discard soiled diapers on the first floor. Please do not throw wipes or diapers in the toilets!

Drop ins: All children should be pre-registered (as there is no writing on Shabbat) even if you only anticipate coming a few times. If a child is not registered and would like to “drop in,” acceptance shall be up to the discretion of the supervisor.

Health: Please keep your child at home if he or she is ill or uncomfortable. It is up to the discretion of the supervisor if a child who appears to be sick may be left in babysitting.

Parents: Parents, including nursing mothers, are welcome in the babysitting room.

Supervision: There will be an onsite supervisor as well as teenage babysitters in the room. Only the supervisor has the authority to make decisions regarding the admittance of a child to the babysitting room. All decisions made by the supervisor are final.

Time: The program will be run from 10:00 am - 12:30 pm during Shabbat services.

Please label all your child’s belongings with your name!
